

Harleston Youth Football Club Under 5 to Under 12 Visitor Guidance Wortwell Playing Field

Location

Wortwell Playing Field, Tunbeck Close, Wortwell, Harleston. IP20 0HS.

Wortwell is a village just off the main A143 Diss to Great Yarmouth road, around 2 miles to the Bungay side of Harleston.

Tunbeck Close is the turning directly opposite The Bell pub, off Wortwell High Road.

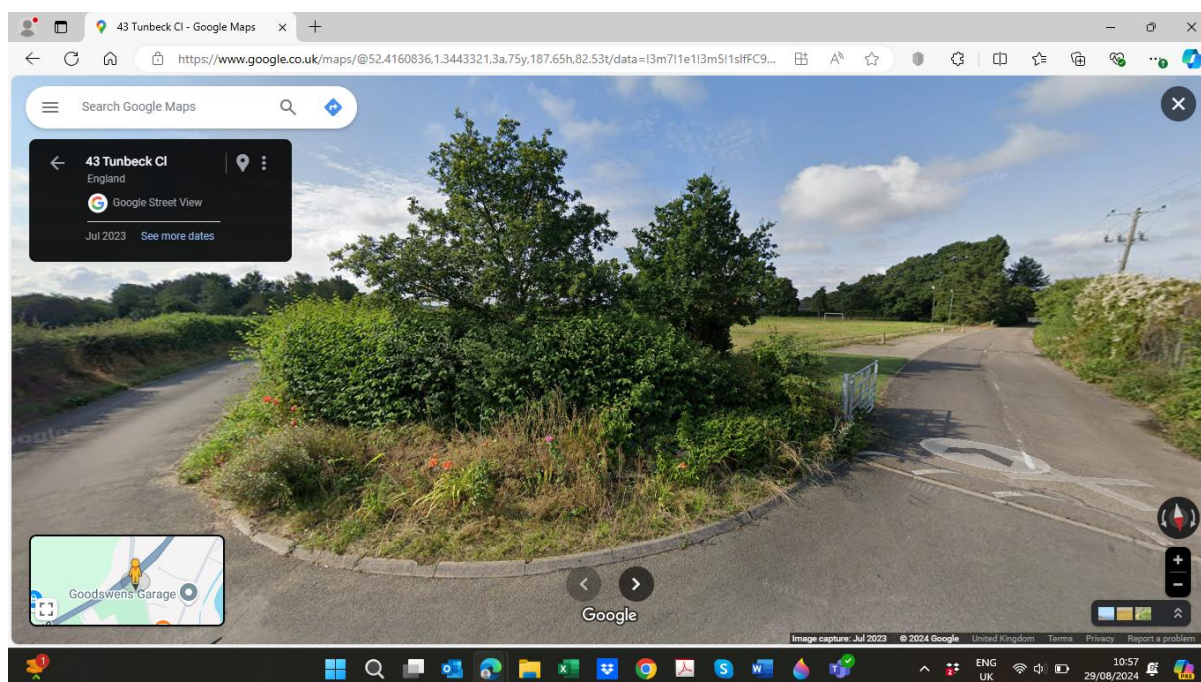

Getting Pitchside

Follow Tunbeck Road up alongside the sports field which will be over the hedge on your left. When you get to the top of the road, follow it around to the left and you will see some parking spots for the 5s and 7s pitches on the left at the top of the sports field under the floodlights.

Main HYFC Club Officers 2026-2027

Chairman - Mickey Ellis: ellismickey21@gmail.com; Vice Chairman – Andrew Bicker: dribble1979@gmail.com
Secretary – Katie Devereux: kmound21@googlemail.com; Vice Secretary – Chris Sparrow: chris.sparrow2211@hotmail.co.uk
Treasurer – David Stewart: davidarstewart@gmail.com; Welfare Officer – Nat Watson: natwatson85@hotmail.com

If these are all taken, or you are attending for a 9s game please drive 100m or so further past the field and towards the main community centre building where there is plenty more parking in front of and behind that building and which is closer to the West field for the 9s pitch.

Facilities

Changing facilities are available within the black and white pavilion on the sports field.

Toilet facilities are within the main Community Centre building itself. Each HYFC team will have a nominated person who will be able to provide access to them: please just ask the HYFC manager to point you in the direction of that person!

HYFC Young Referees Programme

Recognising a shortage of referees within the game in general and the club in specific, HYFC are offering a programme which funds and supports referees under the age of 21 to take FA-recognised refereeing qualifications, gain confidence and experience via refereeing HYFC matches. If one of these young referees is officiating the game which you are attending, please treat them with the same respect you would want others to treat your young person with if they were officiating.

Photography & Filming

Like most clubs, HYFC have players from backgrounds which mean that from a safeguarding point of view photos and videos of them should not be in general circulation - as this will bring with it a risk of their whereabouts being identified.

In previous seasons we have had objections from certain opposition officials and / or supporters when we have requested that filming from the touchline be stopped.

Main HYFC Club Officers 2026-2027

Chairman - Mickey Ellis: ellismickey21@gmail.com; Vice Chairman – Andrew Bicker: dribble1979@gmail.com
Secretary – Katie Devereux: kmound21@googlemail.com; Vice Secretary – Chris Sparrow: chris.sparrow2211@hotmail.co.uk
Treasurer – David Stewart: davidarstewart@gmail.com; Welfare Officer – Nat Watson: natwatson85@hotmail.com

Can we please ask you to take as the starting point that there should be NO photography or filming of HYFC matches unless this has been checked and cleared with the HYFC manager first.

Zero Tolerance Behaviour Policy

HYFC have adopted FA Respect Guidelines and will have Respect Monitors on the touchlines at all matches.

Incidences of inappropriate behaviour either on or off the pitch will be dealt with appropriately by the Respect Monitor in conjunction with the HYFC team manager either during the match or after the match, and with reference to the relevant league or the FA as necessary.

We as a club recognise that we are far from perfect ourselves, and so we invite those who play against us to hold us to the same standards.

Only by working together in this way will we begin to see a reduction in the behaviours of the small minority which spoil kids' football for the well-behaved majority.

**But most importantly of all, please enjoy your visit to HYFC,
have a good game and a safe journey home.**
